

CURRICULUM VITAE

Name: **Mark Hilary GRAY**
MBChB, Dip Obs, Am Bd Cert Path,
Am Bd Cert Dermatopath, FRCPC FRCPA FACCS

Business: Skin Institute Limited
398 Lake Road
P O Box 33 1208
Takapuna
Auckland
Ph: ++64 9 486 7111
Fax: ++64 9 4867133

Place of Birth: Uranium City
CANADA

Citizenship: Canada and New Zealand

Education: Otago Medical School
Batchelor of Medicine & Batchelor of Surgery
Graduated 1982

Harvard Medical School/Massachusetts General Hospital
Anatomic Pathology
Completed 1988

Cornell University/New York Hospital
Dermatopathology
Completed 1991

Vancouver Childrens' Hospital/Auckland Hospital
Dermatology
Completed 1994

Awards and Honours:
1982 Graduated with Distinction in Anatomy and Pre-Clinical
Neurology/Neuroanatomy

Academic Appointments:
1985-1988 Clinical Fellow in Pathology
Harvard University
Boston, MA, USA

1988-1990 Clinical Fellow in Pathology/Dermatopathology
Cornell University
New York City, NY, USA

LICENSURE AND CERTIFICATION

1982	MBChB Otago Medical School New Zealand Medical Licensure: New Zealand
1984	Diploma in Obstetrics and Gynaecology Foreign Medical Graduate Examination in Medical Science (FMGEMS) Medical Licensure: Massachusetts and New York
1986	Federal Licensure Examination (FLEX;USA)
1987	Qualifying Examination: Canada
1988	American Board of Anatomic Pathology
1991	American Board of Dermatopathology
1993	Fellow Royal College of Physicians of Canada FRCPC Dermatology
1993	Fellow Royal College of Pathologists of Australasia FRCPA
2000	Fellow American Academy of Dermatology
2003	Fellow American Society of Mohs Surgery
2007	Fellow Australian College of Cosmetic Surgery

BIBLIOGRAPHY

ORIGINAL REPORTS

Gray M, Talbert M and Talbert W: Changes seen in the lymph nodes draining the sites of large joint prostheses: Am J Surg Pathol, 1989; 13 (12): 1050-56

Gray M, Smoller B, McNutt N and Hsu A: Neurofibromas and neurotised melanocytic naevi are immunohistochemically distinct neoplasms: Am J Dermatopathology: 12(3): 234-241

Gray M, Rosenberg A, Dickersin G and Bhan A: Cytokeratin expression by epithelioid vascular tumours; Hum Pathol, 1990: 21(2): 212-217

Gray M, Rosenberg A, Dickersin and Bhan A: Expression of GRAP and keratin by peripheral nerve sheath tumours; Hum Pathol 1989; 20 (12): 1089-1096

Gray M, Smoller B, Weber J, McNutt N and Hsu A: Giant dermal-dendrocytoma of the face: a distinct clinico-pathological entity: Arch Dermatol: 126(5): 689-690

Gray M, Smoller B, McNutt and Hsu A: Immunohistochemical demonstration of factor XIIIa in neurofibromas: a practical means of differentiating these tumour from neurotised melanocytic naevi and Schwannoma; Arch Dermatol: 1990; 126: 472-476

Gray M, Smoller B, McNutt and Hsu A: Carcinogenesis in porokeratosis: a role related to chronic growth activation of keratinocytes; Am J Dermatopathol: 1991; 13(4): 438-444

Gray M, McNutt N, Hsu A, Smoller B, Trimble C and Vargese M: The relationship of factor XIIIa positive dermal dendrocytes to Kaposi's sarcoma; Arch Pathol: Arch Pathol Lab Med; 1991

La Quaglia M and Gray M: A case of squamous cell carcinoma arising in a neoesophageal skin tube: J Ped Surg 22: 44-47, 1987

Ogilvy C, Chapman P, Gray M and De La Monte S: Meningioangiomas in a patient without von Recklinghausen's disease; J Neurosurg 1989 70: 483-485

Smoller B, McNutt N, Klein M, Gray M and Balin A: Xanthomatous infiltrate of the face; J Cutan Pathol: 1989, 16: 277-280

Smoller B, Kruger J, Gray M, McNutt N and Hsu A: Fixed drug eruption: evidence of a gamma interferon mediated process; A, J Dermatopathol: J Cut Pathol 1991; 18(1): 13-19

Smoller B, Kidney S, Gray M, McNutt N and Hsu A: Balloon cell transformation in dysplastic naevi; J Am Ac Dermatol: 1991; (2 Pt 1): 290-292

Pettit C, Zukerberg L, Gray M, Ferry J, Rosenberg A and Harris N: Primary lymphoma of bone. A B-cell neoplasm with high frequency of multi-lobated cells: Am J Sug Pathol: 1990, 14(4): 329-334

Smoller B, McNutt N, Gray M, Kruger J, Hsu A and Gotlieb A: Detection of the interferon gamma-induced protein 10 in psoriasiform dermatitis of the acquired immunodeficiency syndrome; Arch Dermatol: 1991, 126:1457-61

Trimble C, Gray M and Hsu A: the distribution of factor XIIIa positive dendritic cells in the human foetus; Arch Pathol: in press

Smoller B, Weishar M and Gray M: an unusual manifestation of Crohn's disease: Arch Pathol: 1990, 1146(6): 609-10

Gray M and Kenet B: Vitiligo koebnerized to a large connective tissue naevus: report of a case: J am Ac Dermatol: in press

Zim J, Gray M, Smoller B and McNutt N: Reduced prevalence of psoriatic dermatitis of AIDS in the autopsied population: implications for the pathogenesis of this disorder. Submitted to J Am Ac Dermatol

Gray M, Birchall N and Pinnock R: Cytophagic Histiocytic Panniculitis presenting in a five year old boy.

ABSTRACTS/ LETTERS

Gray M, Ogilvy C, De La Monte S and Hedley-Whyte E: Meningiogliomatosis as a cause of seizures. Lab Invest: 1987, 56(1); 2P

Gray M, Rosenberg A, Dickersin G and Bhan A: Expression of GFAP and Keratin by peripheral Nerve Sheath Tumours. In the Book of Abstracts from the XVII International Congress of the IAP: Dublin Ireland, September 1988

Pettit C, Zukerberg L, Gray M, Ferry J, Rosenberg A and Harris N: Primary lymphomas of bone; Lab Invest: 60(1) 73A-462

Smoller B, Gray M, Balin A, McNutt N, Hsu A: Xanthomatous infiltrates of the nose. Book of the Abstracts from the American Society of Dermatopathology meeting: Washington DC, December 1988.

Gray M, Smoller B, McNutt N and Hsu A: Immunohistochemical demonstration of factor XIIIa in neurofibromas: a practical means of differentiating these tumours from neurotised melanocytic naevi and schwannomas: A, Soc of Dermatopathology book of abstracts

Gray M, Smoller B, McNutt N and Hsu A: The histogenesis of spindle cell nodules of Kaposi's sarcoma; Lab Invest: 1991, 62(1): 39A:222

Smoller B, Kruger J, Gray M, McNutt N and Hsu A: Fixed drug eruption: Evidence for a gamma interferon mediated process; Lab Invest: 1990 62(1): 64A: 552

Gray M and McNutt N: Naevus cell of nerve sheath origin (letter); Arch Dermatol: 1990

PRESENTATIONS

La Quaglia M and Gray M: A case of squamous cell carcinoma arising in a neoesophageal skin tube: Platform presentation: New England Society of Paediatric Pathology, Dartmouth College, 1985

Gray M, Rosenberg A, Dickersin G and Bhan A: epithelioid vascular lesion express keratin. Platform presentation: American and Canadian IAP meeting, San Francisco, March 1980

Gray M, Rosenberg A, Dickersin G and Bhan A: Expression of GFAP and Keratin by peripheral nerve sheath tumours. Platform presentation: XVII International Congress of the IAP: Dublin Ireland, September 1988

Gray M, Ogilvy C, De La Monte S and Hedley-Whyte E: Meningiogliomatosis as a cause of seizures. Poster presentation: American and Canadian IAP meeting, Chicago, 1986

Smoller B, Gray M, Balin A, McNutt N, Hsu A: Xanthomatous infiltrates of the nose. Poster presentation: The American Society of Dermatopathology meeting, Washington DC, December 1988

Gray M, Smoller B, McNutt N and Hsu A: Factor XIIIa distinguishes neurofibromas from schwannoma and neurotised naevi. Platform presentation Am Soc Dermatopathology meeting, San Francisco, October 1989

Gray M, Smoller B, McNutt N and Hsu A: The relationship of dermal dendrocytes to Kaposi's sarcoma. Poster presentation IAP meeting, Boston, MA, March 1990

Smoller B, Kruger J, Gray M, McNutt N and Hsu A: Fixed drug eruption: Evidence for a gamma interferon mediated process. Poster presentation IAP meeting, Boston, MA, March 1990

Gray M, Smoller B, McNutt and Hsu A: Carcinogenesis in porokeratosis: a role related to chronic growth activation of keratinocytes. Platform presentation, royal Australasia College of Dermatology meeting, Sydney, August 1991
